## **Don't Go Home After Work!**

Dear Don Customer,

Don't go Home after work next year - head for the Don Bistro and enjoy the Best Value, and the Cosiest Supper in Town.

At **£14.95 for 2 courses** or **£17.95 for three, including cafe** - and one of the Don's magical chocolates - the Don's Evening Menu should keep you and the Financial Controller very happy.

Served between **5.30pm and 8pm** downstairs at The Don in our wonderfully atmospheric Bistro, site of the original Sandeman bottling cellars in 1798, it's a very cosy space for a dinner whether you are a table of 2 or 22.

So forget shopping for supper - head straight for The Don. We'll be offering this menu throughout the summer and we will still be serving our normal a la carte menu both in the Bistro and in the Restaurant.

**So book your dinner now on 0207 626 2606, or email us on  
bookings@thedonrestaurant.co.uk**

Looking forward to seeing you after work
